## EXPERIENCE

### Sampoornam Software Ltd

Dec. 2020 – Apr. 2021

Software Developer Intern (Remote)

London, UK

- Collaborated with a team of 5 interns to develop a cricket scorer android application
- Examined 10+ existing applications in terms of design and popularity. Designed UI and interactive flow of the application for a variety of screen sizes

### Internmind E-Learning

Jul. 2020 – Dec. 2020

Software Developer Intern (Remote)

Tamil Nadu, IN

- Added payment gateway, video-streaming, job portal, certificate verification services in the webpage. Enhanced conversion rate by implementing a push notification service
- Conducted keyword research and optimized the SEO of the page resulting in new visitors. Reduce 5% of page delay by using Cloudflare CDN

## PROJECTS

### TheOwNews

- A decentralized location-based news App made for the community and managed by the community. Designed application architecture using **docker** to scale up and **Load-Balanced** the application using Nginx for high traffic
- Implement **push notification** services for the mobile application
- Integrate the Tensorflow-Js Ai models for content moderation, Elastic Search engine for fast search query operations
- Added the Web Application Firewall in the server for high security

### Argon CMS

- A custom CMS for college faculties to maintain the online classes. It packs features of an automatic attendance system with **Argon LMS**, class meeting records, class schedules, faculties attendance, notes publishing portal
- Join together with the Argon LMS team and create 2+ screens using flutter

### Tic Tac Toe Multiplayer Game

- Build Tic Tac Toe game with single and multiplayer mode using React-Js, Express-js, Websockets

### Social Connect

- Developed complete web & mobile application with QR code authentication, stories, posts, and 3+ more features using ReactNative, Django, Redis, PostgreSQL
- Stories Can be **auto-deleted** after 24 hours
- Able to link our account with our computer by scanning the **QR Code** shown in the web app using the mobile app

## EDUCATION
